CARE OF GOD'S CREATION

7 -- A Weekly Tip on Caring for Our Common Home Try to choose grocery items (drinks, jams, vitamins, etc.) packaged in glass jars and bottles instead of plastic containers. This keeps more plastic out of the waste stream.

8 -- A Weekly Tip on Caring for Our Common Home Keep a set of reusable dining utensils in your briefcase, purse, car, or some other handy spot so that they are available whenever you buy take-out food. That way you won't have to take plastic utensils from the restaurant.
