FAITH COMMUNITY NURSING

Topic: Posttraumatic Stress Disorder

"Posttraumatic stress disorder (PTSD) is a mental health problem that can only develop after you go through or see a life-threatening event. It's normal to have stress reactions to these types of events, and most people start to feel better after a few weeks. If symptoms last longer than a month and are causing problems in your life, it could be PTSD. Learn about PTSD symptoms and treatments to help you recover." (US Department of Veteran Affairs, 2025)
