FAITH COMMUNITY NURSING

Topic: Alzheimer's and Brain Awareness Month

Alzheimer's is a journey, not a destination. There are an estimated 7.2 million Americans living with Alzheimer's dementia. While this number is continuing to grow, we as a community can take an active role to educate ourselves about this disease and the impacts it has on our everyday lives. The Alzheimer's Association offers a number of educational programs that can help us understand what to expect so we can be prepared to meet the changes ahead. If you are interested in having someone from the Alzheimer's Association deliver an education program within your community, please reach out to jlehr@alz.org. For more ALZ resources please visit:

CEMETERY FUNDS

We are very blessed to have our parish cemetery on the edge of town where we are able to easily visit our deceased loved ones. As we pass by we can see the lush, well cared for grounds.

We currently pay \$910 per month for the mowing and care of our parish cemetery. The cemetery monies are completely separate from the parish funds and only cemetery donations are used for cemetery expenses.

Please consider a cemetery donation to keep the cemetery account replenished with funds to pay these expenses.
